You may have recognised that this Chalice is one used regularly at Saint Joseph's Parish in Jarrow.

But it did not originally come from there.

On the base are engraved the words

*+ St. Matthew's  
Jarrow on Tyne 1943  
Pray for Donor*

We can only assume it was given from St. Matthew's Parish when St. Joseph's was being founded.  
(If it wasn't, they're not getting it back)

If you know any more, we would be delighted to hear from you.  
(They're still not getting it back)
