NINETEENTH SUNDAY OF YEAR 7 August 2022

Be dressed for service and have your lamps shining

Abraham and his family 'lived in tents while he looked forward to a city founded, designed and built by God'. Our life pilgrimage is not of waiting for the Kingdom but is to be experienced through every response to Jesus' call: 'as often as you do it to the least of my brothers, you do it to me!' A life lived in love and service for the Kingdom, for the city - a society of justice and peace - designed and built by God. In doing this we amass real wealth not only for ourselves but for others too. In living like this, we are ready, at any time, to meet our Lord and Saviour, knowing that all along he has lived with us in those we loved and served and ...

The master will dress himself to serve and tell the servants to sit at the table. Then the master will serve them.
